NHKS LEGACY BRICK DRIVE

Be a Living Part of NHKS

As part of NHKS's Ohana, you are invited to become a part of the daily life and the living history through the Legacy Brick Drive. Students surround the flag and bricks daily to remember and to create and to learn. Now you can have a piece of this inspirational school for your very own.

Your brick will be a symbol of support for generations to come... Write a note, thank a teacher, highlight a student...the choice is yours. Your inscribed brick can celebrate a joyful occasion (wedding, birthday, special achievement, etc). You can honor a loved one, recognize military service or express your family's or company's support of NHKS.

Please order by MARCH 14 to have your student install the bricks together at the Induction Ceremony.

For a minimum donation of \$100 you can choose your inscription. For an additional \$50, choose one of the attached graphic designs. Want to be more creative? You can have a drawing engraved for a minimum donation of only \$175 per brick.

Three Ways to Personalize Your Brick ...

To inscribe your very own message:

For a minimum donation of \$100 you can select three lines with 23 characters each line to honor a student, thank a teacher or highlight a volunteer. Please fill in grids on form.

Would you like to include a GRAPHIC?
You can inscribe your message and include a graphic for a minimum donation of \$150. You can inscribe three lines with 19 characters each line plus you can select a graphic from below to be included on your brick.

Use your own child's DRAWING!
Original artwork can be laser engraved on any brick for \$175. If you (or your student) can draw it, we can brick it. To select this option, please make your donation and you will be contacted by email with specific directions.
